

## 2011-12 Core Services Performance Measures

Programs shall meet or exceed core services performance measures as negotiated by KYAE with the U.S. Department of Education, Office of Vocational and Adult Education, in conjunction with the National Reporting System. Performance measures for 2012-13 have not yet been negotiated. Applicants should review the core services performance measures for the 2011-12 fiscal year with the understanding that these measures may be different in the 2012-13 fiscal year.
